Abstract: The IBR Plan Request form serves as the means by which a borrower with FFEL Program loans requests to repay those loans under the IBR Plan and provides certain information that is needed by the borrower's loan holder to determine whether the borrower is eligible to repay under the IBR Plan and to calculate the borrower's monthly payment amount under the IBR Plan. The IBR Plan Alternative Documentation of Income form serves as the means by which a borrower who is repaying FFEL Program loans under the IBR provides the borrower's loan holder with alternative documentation of the borrower's income if the borrower's adjusted gross income (AGI) is not available from the IRS, or if the loan holder believes that the borrower's most recently reported AGI does not accurately reflect the borrower's current income. Under the FFEL Program regulations, a borrower's AGI is used to calculate the monthly loan payment amount under the IBR Plan.
